

汽车生产 中国

AUTOMOTIVE PRODUCTION CHINA

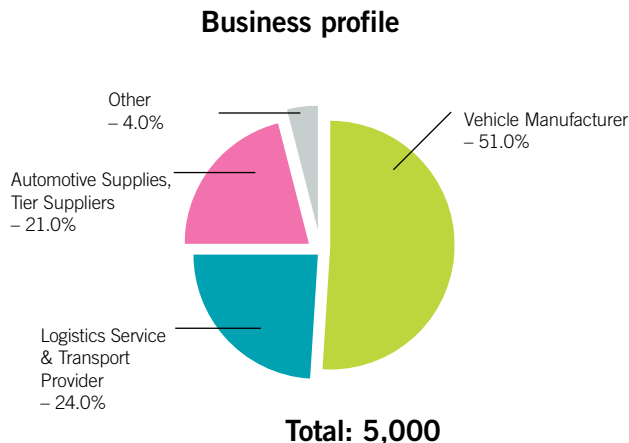

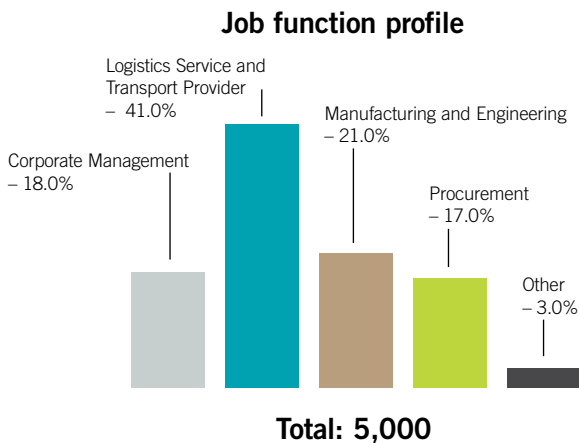

Circulation

Through our contacts in China we have a list of 5,000 senior officials within the automotive industry in that country.

The magazine will only be circulated in China.

The quality of our three BPA audited magazines is testament to the calibre of this publication.

Circulation breakdown:

Ensure you are part of this unique magazine which is printed in English and Chinese, in China, and mailed directly to key executives within the country's automotive industry.
